1. KEY INFORMATION

Welcome to Education Guardianship UK Ltd and thank you for signing up with us as a host family!

As a Education Guardianship UK Ltd host family, you are providing a very important service to our clients. As well as representing Education Guardianship UK Ltd you will play a large part in ensuring the students have an enjoyable time in the UK, in a safe and supportive environment. This handbook is designed to be a guide on what you can expect when hosting overseas students and what is expected of you as a host family.

You will be visited by a Education Guardianship UK Ltd staff member, who will be looking for warm, comfortable, safe and hygienic conditions conducive to study and relaxation. We rely on your continued support to enable us to deliver (and continue delivering) a high level of service - you are an essential partner and we very much appreciate your input. The role of a host family and relationship with students can be a delicate one on both sides with a responsibility on both parties to understand and respect some cultural differences.

If you have any questions or concerns regarding anything mentioned below, please get in touch with us.

- [ABOUT EDUCATION GUARDIANSHIP UK LTD](#)

Founded in 2021, Education Guardianship UK Ltd offers unique and bespoke tailored services in all aspects of student guardianship. Our main aim is ensuring all students have a safe and enjoyable time in the UK, while reaching their full potential.

- [THE ROLE OF THE EDUCATION GUARDIAN](#)

Our role as the Education Guardian: means that we are responsible for the care and welfare of the student while he/she/they are in the UK. The responsibilities of the guardian will include caring for the student as would a responsible and caring parent, for example, being in regular contact with the student and providing advice and support as necessary. Responsibilities also include being authorised to make certain decisions concerning the student on the parent's behalf, for example, decisions regarding emergency medical and dental treatment and matters of a disciplinary nature.

2. INTRODUCTION TO HOSTING STUDENTS FROM OVERSEAS

Education Guardianship UK Ltd has a number of host families with whom we place our students when schools are closed for half terms and exeat weekends. We will match you as closely as possible to the student in terms of the student's requirements and interests. We try, where possible, to place students in the same host family for all their stays in order to provide consistency, but changes can occur.

Your visitor will normally be attending a private boarding school in the UK. During half terms and exeat weekends, the boarding houses close giving staff and students a break, and the students are required to have alternative accommodation arrangements. Parents often choose host family accommodation because it offers safety and a 'home away from home' in a family atmosphere, where students can practise their English, learn about another culture, and be treated as one of the family.

When your student first arrives at your home it is therefore important to be welcoming and understanding, as staying in an unfamiliar environment can be an anxious time for a young person whose family lives in another country. Although students will sometimes spend time in their room working or playing, access to your living areas to watch TV, chat with your family or relax is invaluable.

• LANGUAGE

Most students are here in the UK to study for exams such as GCSEs and A-Levels, and their spoken English language is excellent. However, this is not always the case, and patience and understanding is required if students have a low level of English.

- **CULTURE**

Going to a new country and being part of a new culture can be confusing and difficult for some students. They will be used to certain British customs which they have experienced at school; however, it may be their first time living in a British home so please be patient and explain various customs if necessary. Please also be sensitive to different religious beliefs and requirements, and provide a safe space for students to pray if needed.

The English love their pets, but this is not often shared by people from China and the Far and Middle East. Sometimes the students have had very little contact with any dogs or cats and consider them unhygienic and frightening. Please be sensitive to this, particularly when the student first arrives.

- **DAY STUDENTS**

Although most students live in boarding schools, on occasion we may ask you to host a day student. These are students who attend school in the UK but do not board at the school. The student will go to school every day and return to your house every evening. The same level of care is expected from the host family for long-term day school students as short-term boarding students.

If we place a student with you who is under the age of 16 (under 18 if disabled) for 28 days or more, it is regarded as private fostering and we are required to notify your local authority. In this case, regulations regarding private fostering must be adhered to as directed by your local authority and there will be regular visits and meetings with the local authority. We will be able to provide you with more information should this situation occur

3. YOUR RESPONSIBILITIES AS A HOST FAMILY

- **STUDENT'S GUARDIAN**

During the times that you are hosting, your responsibilities are to protect, care for and provide food and lodging for your student on a day-to-day basis, as you would your own children. The overall guardianship responsibility remains with Education Guardianship UK Ltd, whom you should contact whenever a situation arises in which you are uncertain as to the appropriate action to take. Untoward occurrences, such as hospitalisation, unexplained student absences or other situations affecting student safety, should be reported to Education Guardianship UK Ltd immediately.

- **SCHOOL CONTACT**

You will not normally be expected to instigate contact with a student's school or to attend school occasions, which is a role undertaken by Education Guardianship UK Ltd. If there was a need for the host to contact or visit the school, it would be at the instigation of Education Guardianship UK Ltd and with the agreement of the host.

• HOST FAMILY REQUIREMENTS

Education Guardianship UK Ltd requires the following documents from host families before we can place any students with you:

- A completed application form
- Passport copy for the main host
- Enhanced DBS Certificates for all persons aged 16 and over living at the premises*
- Landlord gas safe certificate issued within the past 12 months
- 2 references (one personal, one professional from people who have known you for at least 2 years)
- Safeguarding certificate issued in the last 3 years (we can send you an online safeguarding course to complete if necessary)

*If you are not signed up to the DBS (Disclosure and Barring Service) update service, we will need to apply for the DBS certificates on your behalf and the fee (approx. £50 per certificate) will be deducted from your first payment. Originals of the following documents will be needed: passport, driving licence, proof of address and National Insurance number. The check for the primary carer will cost approx £50, everyone else 16 and over in the homestay is classified as a volunteer, therefore the check will cost approx £10 per person.

We will arrange a visit to your house where we will meet the family, have a look around your house and discuss any questions you have about hosting or child safety. We will also check that you have working smoke alarms and carbon monoxide detectors. You will also be asked to sign a contract and complete a self-declaration and medical declaration form.

We will visit you each year to ensure high standards are maintained. **If there are any changes to the house, student facilities or household make up, it is your responsibility to let us know as soon as possible.**

Please be aware that in some cases, a student's school may wish to visit your house, and an AEGIS representative may also ask to visit you at the time of a Education Guardianship Ltd inspection. Your cooperation at these times will be much appreciated.

• COMFORTING STUDENTS IN DISTRESS

Students in your care may feel homesick or nervous about staying with a family they do not know. We would urge hosts to speak to the student calmly to try to discover the reasons they are feeling the way they are and to try to make them feel as comfortable and welcome as possible.

If you suspect, discover or are told that a student in your care is dealing with the effects of bullying behaviour, please remember that they may be feeling scared, embarrassed or ashamed, and they may be worried about what will happen if they tell anyone. If they decide to open up to you, keep calm and listen carefully to what they say. Otherwise, suggest that they have a chat with another trusted adult, such as a Education Guardianship UK Ltd staff member, teacher or family member. Alternatively, they can contact Childline where they can discuss their problems anonymously.

Students may lack confidence as a result of bullying. It is a good idea to help them find things to do that make them feel good, like listening to, or playing, music, or doing sport. Try to give them opportunities to help build their confidence. **If you have any concerns about a student in your care, please contact Education Guardianship UK Ltd immediately.**

Additional guidance can be found in the Staff & Host Code of Conduct.

Further advice relating to homesickness can be found on pages 9 and 11 of the Student Handbook. Additional information relating to bullying can be found in our Anti-Bullying Policy.

A full list of the Education Guardianship UK Ltd policies, procedures and handbooks are available on our website www.educationguardianship.com.

4. WHAT A STUDENT CAN EXPECT FROM YOU

• BEDROOM

Each student should have his or her own room or share with someone of a similar age and of the same sex. If students are sharing a room, please introduce them, remind them to be respectful of each other and their belongings and ensure that they understand that they can approach you with any issues.

Education Guardianship UK Ltd must be made aware of all students' sleeping arrangements in your house, so please confirm these to us in advance, particularly if there are students from different organisations.

A maximum total of three students in a host family is allowed at any one time, so please inform us of any other students who will be staying at your house at the time of booking.

While a student from Education Guardianship UK Ltd is staying with you, you are not permitted to have any other paying guests or run a bed and breakfast arrangement.

The students need to have:

- A comfortable bed.
- Clean, warm bedding and a bath towel (for longer-term students these should be changed weekly).
- Storage area to put their belongings.
- A table/desk and chair with good lighting for working, ideally in their bedroom.

• BATHROOM

Most students are used to taking daily showers. Discuss suitable times for them to use the bathroom, and make sure your student knows how to use the shower (e.g. keeping the shower curtain inside), toilet facilities, and where to put any rubbish. Also, if appropriate, make sure you explain the arrangements for disposing of sanitary items.

You may wish to suggest a maximum time for a shower – e.g. 15 minutes, as at home they are often used to unlimited hot water. Ask them to leave the bathroom clean and tidy. Please inform the student of any guidelines you may have to ensure privacy for the student and members of your

family. Please ensure that students have privacy when using the bathroom and that there is a working lock on the door.

- **MEALS**

Talk to your student about meals, as food is probably the BIGGEST area of comment by students! Nowadays, food in schools is of a good standard, plentiful, varied and nutritionally balanced. That said, although they may not express it, good home-cooked food is hugely appreciated!

Host families will have been informed of any food allergies and in some cases, of dislikes. This means hosts can pre- plan food menus, which in turn allows some purchasing of food in advance. We suggest that you also speak to the student on their arrival about mealtimes and the types of food that they particularly like. Students generally require full-board accommodation, and as a guide will expect the following:

Breakfast - At school, a cooked breakfast will usually be available daily, so the offer by a host of an egg and/or bacon (perhaps a bacon sandwich) and/or baked beans is usually appreciated. As an alternative, offer some combination of fruit, yogurt, cereal, toast and muffins. Teenage students are often keen to lie-in in the mornings and therefore a late breakfast is common.

Lunch - At school, lunch is the main meal of the day. That said, for most UK households, lunch is a lighter meal. A compromise between these two is for a lunch such as jacket potato with cheese, pizza with salad, BLT, pasta with sauce, hotdogs or soup and bread. When a sandwich is offered, it should have plenty of fillings with perhaps salad and crisps on the side. Fruit, cake or something sweet should also be available for dessert.

Dinner - Dinner should ideally be taken with the family, and consist of at least two courses, e.g. a main course of chicken, fish or red meat with vegetables and a dessert. Popular main courses would include roast chicken with potatoes and vegetables, pork with a Chinese-style sauce with rice or pasta, stir-fried vegetables with noodles and prawns, lasagne with salad and garlic bread, fish fillets with chips and peas, bangers and mash with vegetables or a BBQ. Dessert might be a fruit pie or crumble, fresh fruit salad and ice cream, choc-ices, cake or jam doughnuts with custard. If you are lucky, the student may even offer to cook a meal for your family one day!

Snacks - Students should not expect to help themselves and 'snack' in between meals, but are encouraged to ask if they are hungry. If hungry (teenagers are often growing fast), something like fruit, biscuits or cake should be available. Some hosts leave a box of daily snacks for the student to help themselves to throughout the day. A hot drink and a biscuit before going to bed would be appreciated, especially if the dinner is early.

Students are told that they are not allowed to use a host's kitchen for safety reasons (unless agreed in advance, e.g. if they offer to cook the family a meal). However, students might bring some food/snacks with them so please show them where they can keep this (e.g. in a cupboard in the kitchen to avoid food being eaten in the bedroom).

Sometimes, the student's table manners cause a little concern. Remember, for some of them, they have only just become accustomed to using a knife and fork (they may have only used chopsticks before). Please respect this difficulty and we would also ask you to appreciate that slurping food, talking with mouth full etc. is broadly common and acceptable in some cultures, but at the same time try to offer some sensitive guidance if you feel it is necessary. The Student Handbook explains some typical British customs and manners including not leaving the table until everyone has finished and helping to carry the plates to the kitchen at the end of the meal.

Please remember to discuss meal times with the student on arrival so they know what time they need to be home/available. Students are told to give at least 1 day's notice if they wish to miss a meal and eat elsewhere.

• INTERNET ACCESS

Students now expect access to an internet connection, preferably wireless. All schools provide this but do limit use and monitor it carefully. The internet should only be used for academic work and also to stay in touch with their family and friends during the holiday period.

Unrestricted Access - There is increasing concern about the dangers to young people of free and unrestricted access to the Internet without appropriate controls. We would advise hosts to limit access in the best interests of the student. For example, wireless Internet could be switched off overnight if necessary. Students are told not to download or stream large files, such as films, games and music, as this can lead to problems with your normal access but it can be difficult to monitor this. Host families should feel free to switch off the internet if it is being used excessively or at unsociable hours.

Students are taught how to use the internet safely at school and are given guidance by Education Guardianship UK Ltd. They are advised not to give out personal details or send digital photos to strangers, respond to unkind messages or give out their passwords to anyone. If you have a concern about a student not following safe internet guidelines, please inform Education Guardianship UK Ltd.

A full list of the Education Guardianship UK Ltd policies, procedures and handbooks are available on our website www.educationguardianship.com.

Further advice can be found at <https://www.thinkuknow.co.uk> or <https://www.childline.org.uk/info-advice/bullying-abuse-safety/online-mobile-safety/>

Students should not need to use your telephone landline, although some have pre-payment cards to ring home to their parents. They should always ask for your permission.

• LAUNDRY

Particularly over a half term, students will have some laundry. Please let your student know where they can put their laundry and the days that you use your machine. For older, responsible students, you can show them how to use your washing machine themselves if they would like to and if you feel comfortable with the arrangement.

5. WHAT YOU CAN EXPECT FROM THE STUDENT

• STUDENT GUIDELINES

Students have guidelines on staying in a host family (in the Student Handbook), and although they are paying guests and don't have particular duties or chores, they are expected to be polite and courteous, and you should give them friendly guidance on this if required. It is likely that your student will have a lot of schoolwork and possibly revision to do during the holiday period, so they may spend more time in their bedroom than you would expect.

Please also be aware of cultural and background differences; for example, most Chinese live in modern apartments in big cities, sometimes with maids; they normally prefer to play computer games rather than walk in the countryside!

• CURFEWS AND BEDTIMES

If your student goes out, you should always know their plans, return times and exchange telephone numbers. Students are told to always contact their hosts if there is a change to plans.

Students who have permission to go out on their own will be required to return to homestays by the following times:

- Ages 16 to 18 - 10 pm
- Ages 14 to 16 - 6 pm

Education Guardianship UK Ltd suggests that student bedtimes should be as follows:

- Ages 14 to 18 - 10pm

Any deviation to these times should be discussed and agreed in advance.

• PERMISSION FOR VISITING THE LOCAL AREA / SHOPS/ TRAVELLING FURTHER AFIELD / EXCURSIONS

Students aged 16 and over are aware that they need to inform their hosts and Education Guardianship UK Ltd if they would like to go out by themselves or with friends to visit the local area. If they would like to travel further afield (e.g. to another city), Education Guardianship UK Ltd must be informed in advance and we will seek permission from the student's parents.

If you would like to take a student out for an excursion (e.g. a day trip or cinema/theatre visit), please let us know. If this will incur any additional charges, this must be agreed in advance with Education Guardianship UK Ltd.

If a student informs you that they would like to go out and you have concerns about their safety or whether it is permitted, please contact us straight away and we will be happy to advise.

• LEAVING A STUDENT UNATTENDED

- **Children under 12 years old** shouldn't be left home alone.
- **Children over 12 years old** can be left alone for short periods of time, only if they feel comfortable with the arrangement.
- **Children under 18 years old** shouldn't be left alone overnight.
- Children should never be left in a **home that could put them at risk** – like with no electricity or heat, or with dangerous objects.

• NOT ALLOWED!

Staying away overnight is forbidden unless specific permission has been given in advance by Education Guardianship UK Ltd, normally with the consent of the student's own parents. Friends of students are not allowed to stay with you unless Education Guardianship UK Ltd has approved temporary guardianship in advance. This is for legal and insurance reasons. Students are not allowed to smoke or vape.

• THE CONSUMPTION OF ALCOHOL

Under 18 - Education Guardianship UK Ltd does not permit their students to consume alcohol whilst under your care. In the UK it is illegal for people under 18 to buy alcohol in a pub, off-licence, shop or elsewhere. In most cases, it is against the law for anyone to buy alcohol for someone under 18 to drink in a pub or a public place.

Over 18 - Whilst in a Homestay students over the age of 18 may only drink alcohol with the express permission of their parents and host family, this must be under supervision of the host parent.

6. WHAT YOU CAN EXPECT FROM EDUCATION GUARDIANSHIP LTD

• COMMUNICATIONS

We will usually send you an email or call you to ask for your availability and make homestay bookings. Arrangements regarding the student, school and transfer times will be confirmed to you in writing by email prior to arrival. We will visit your house each year and you can contact Education Guardianship UK Ltd at any time should you have any queries or concerns.

• CONTRACT

A written contract will be provided for both parties to agree and sign. To terminate this contract either party must give a minimum of one months notice in writing.

• SUPPORT

If you have any questions or concerns, you can ring the office on +44 (0) 7812 052 282 (office hours are 09:00 to 17:00) or send an email to hayley@educationguardianship.com.

In the case of emergencies, which should only be escalated when a situation arises that needs to be resolved prior to the next working day, please phone **+44 (0) 07812 052 282**. This service is available 24 hours per day.

- **PAYMENT**

We have a standard rate per night, which will be clarified with you at the time of booking. Normally we are able to confirm in advance, and in writing, the amount you will be paid for the student's stay. Education Guardianship UK Ltd will also pay your mileage if you collect the student from school. Any additional claims (e.g. expenses for day trips or buying something the student asks for) must be agreed with Education Guardianship UK Ltd in advance and included in your invoice.

Should there be a cancellation, we will do our best to find another student but, if not, and we are unable to provide you enough notice (7 days) we will pay for the booking, for up to 7 nights.

Education Guardianship UK Ltd will pay all the service payments on behalf of the student. The host family will under no circumstances discuss with the student, or the student's parents, friends or classmates, the lodging fees set with Education Guardianship UK Ltd without prior consultation with Education Guardianship UK Ltd. If a host family violates the rule, Education Guardianship UK Ltd reserves the right not to arrange further bookings with the host family. Work completed before the end of month should be settled with an invoice provided before the last day of the month, which is when payments are made by Education Guardianship UK Ltd. If the invoice is not correct or not received, Education Guardianship UK Ltd will make the payment the following month given an invoice is received. For an invoice template, please kindly check the last page of this handbook.

- **LEGAL CONTRACTUAL ARRANGEMENTS**

Please note that due to the guardianship contractual arrangements between Education Guardianship UK Ltd and you the host family, as well as our contract with the students and their parents, ALL ARRANGEMENTS must be made and confirmed through the Education Guardianship UK Ltd office in writing. It is essential that you contact us if any of our students contact you directly for two reasons - if we do not know about the arrangement, then we simply cannot pay you; also, the responsibility of guardianship would fall to you and this is very different to being simply a host family where we support you.

- **COMPLAINTS**

Education Guardianship UK Ltd recognises that there may be legitimate concerns or complaints from students, staff, schools, parents or homestays relating to Education Guardianship UK Ltd. As a company we encourage these concerns or complaints being made known to Education Guardianship UK Ltd staff so that they can be addressed in partnership with us, and we can continuously improve our service.

Stage 1: Informal Stage

It is hoped that most concerns or complaints can be resolved informally. A concern or complaint can be made in person, in writing or by telephone. They may also be made by a third party acting on

behalf of a complainant, as long as they have appropriate consent to do so. Concerns should be raised with the relevant Education Guardianship UK Ltd staff member who will:

- Keep a record of the complaint and any action taken;
- Respond to all complaints or concerns within 24 hours;
- Investigate the concern or complaint;
- Report back to the complainant within 2 working days.

If the issue remains unresolved, the next step is to make a formal complaint.

Stage 2: Formal Stage

 - Respond initially to the complainant within 24 hours;
 - Investigate the concern or complaint – this may take some time but in any event they will keep the complainant informed of progress made;

• CONTACT DETAILS

Mobile Phone Numbers: Swap numbers with all students you are hosting, so they are known to all parties, as well as your landline and any other useful contact numbers. As host, you should at all times know where your visitor is and be able to contact him/her if required.

Update Host Details: Please note that it is also your responsibility to update Education Guardianship UK Ltd of any changes in your contact details or host profile, and to notify us of any changes in the household residents, such as family members, lodgers or long stay guests arriving or leaving.

• STUDENT ILLNESS

In case of student illness or accident, take the same precautions as you would with your own child. If in doubt, your first course of action should be to contact your family doctor or 111 in the usual way. The student will have been registered with the NHS by the school. If the illness is more serious and/or you need to take the student to hospital, you should immediately contact Education Guardianship UK Ltd: +44 (0) 7812052282. We will liaise with the parents and school on the most appropriate course of action.

• CONTAGIOUS PANDEMICS

In the event of a contagious pandemic, Education Guardianship UK Ltd will do everything possible to keep our students and host families safe and well. We will continuously monitor the situation and follow the advice of Public Health England (PHE) and AEGIS.

• HOUSEHOLD AND CAR INSURANCE

Hosting students/lodgers within your property may affect your own home insurance policy. If you are a homeowner, it is advisable to check with your current insurer that they are happy with you hosting a student/lodger who is living at your property. Unfortunately, not all insurance providers like this arrangement which could result in a claim being invalid should a situation occur.

If you are a tenant of a property intending to host a student/lodger, we strongly advise you speak with your landlord as the arrangement may invalidate their insurance.

If your home or your landlord's insurance provider will not continue with the current policy, we encourage you to seek several quotations from different companies.

Standard car insurance policies cover the holder for a minimum of third-party claims whilst the car is being used for domestic, social and pleasure purposes, but not for business. If in doubt, you should consult your insurer. Please also note that we regard it as your duty to ensure the use of car seat belts when you are transferring students in your car. The car user must ensure the car is roadworthy, taxed and has a valid MOT.

• BEHAVIOUR AND ABUSE

We do not accept any abusive behaviour by staff, students, host family members or visitors (this includes unkind words, messages and actions, verbal, mental and physical abuse, taking or damaging someone else's possessions, violence or anger towards another person, talking to/about people in an unkind way, teasing, harassment, bullying).

Students are all given a handbook containing clear guidelines on conduct and behaviour. If you have any concerns about a student's behaviour, please inform Education Guardianship UK Ltd

Please remember that only lawful and reasonable/appropriate means of control, contact and restraint are permitted by homestays. Incidents requiring physical contact or restraint must be reported in full to Education Guardianship UK Ltd directors. Corporal punishment is illegal and must never be used.

• MISSING STUDENT

Unexplained student absences or other situations affecting student safety should be reported to Education Guardianship UK Ltd immediately. Specifically, should a student we have booked in with you not arrive when you are expecting them, it is your duty to advise us of this matter and we will take all necessary actions to locate the student.

8. CHILD PROTECTION

Education Guardianship UK Ltd is committed to the protection of all children in its care. Our aim is to ensure at all times a caring and secure environment in which students feel safe, respected and valued. We have a policy of trust, openness and clear

As a host family, you will be expected to protect the students that you host and you will be required to have a valid enhanced Disclosure and Barring Service (DBS) check (formerly CRB disclosure) for each member of the household aged 16 or over who will be present whilst students are staying with you.

• SAFEGUARDING POLICY

Education Guardianship Ltd has a legal duty of care towards young people who use our services. We have a policy and procedure in place to help protect our students from harm and for reference in case something goes wrong. All staff members are responsible for students' safeguarding.

If you would like to speak to someone or report a safeguarding issue, please contact one of the officers in the school and/or the DSL at Education Guardianship UK Ltd.

Useful telephone numbers: **NSPCC: 08088005000 Child-line: 08001111**

• EDUCATION GUARDIANSHIP UK LTD'S WAYS OF SAFEGUARDING

- Student Handbook and Child Protection Policy are given upon arrival.
- Parents have to send a consent / registration form where rules and contact details are provided.
- Under 16s are kept separate from older students in different homestay accommodation.
- Education Guardianship UK Ltd works with transfer providers who only use licensed and DBS-checked drivers.
- Regular contact with students.
- Education Guardianship UK Ltd only places students with families where the hosts are enhanced DBS-checked.

- Education Guardianship UK Ltd ensures that under 18s return by curfew times by educating the students, parents and host families. If a student does not return home by the specified time, the host must call the student and if necessary, inform Education Guardianship UK Ltd via the emergency number.
- On occasion, under 18 year olds may be placed in residences, but only when in groups and after ensuring they comply with our safeguarding policy (a responsible and DBS-checked adult must always be present, especially overnight).
- Following safer recruitment practices and ensuring all roles involving responsibility for or those with substantial access to under 18s will have suitability checks, for example with the Disclosure and Barring Service (DBS). These roles include Host Families, administration, social activities and management staff.
- Education Guardianship UK Ltd ensures that management and all staff are trained to a minimum safeguarding level 1 and that students are aware of safeguarding arrangements.

• CODE OF CONDUCT - WHAT EDUCATION GUARDIANSHIP UK LTD STAFF MUST DO

- Actions: behave appropriately (actions, dress code, language), work in an open environment, be alert for signs of abuse, maintain a safe, professional distance in all relationships with students, treat young and vulnerable people with dignity and fairly, actively prevent learners from accessing any form of inappropriate material, educate students on E-Safety.
- Accommodation: inform students in advance if you wish to clean or inspect their bedrooms. If sharing the same accommodation with under 18s, prepare a bathroom rota in order to ensure they have their own privacy.

DON'Ts:

- Actions: don't leave young persons alone if they are under your supervision, socialise with young or vulnerable visitor on occasions when it does not constitute part of your normal duties (on or offline), use any visual, audio-visual or written material that exposes young people to harm (be it physical, emotional or sexual), give young or vulnerable people prescription drugs or medication (without their parent's consent), drink alcohol, smoke or use drugs when working with under 18s (nor make jokes with reference to them).

• SAFEGUARDING PROCEDURE

Information which shows an adult may have:

- behaved in a way that has/may have harmed a child
- possibly committed a criminal offence against or related to a child
- behaved towards a child in such a way that indicates s/he would pose a risk of harm if working closely or regularly with a child

Types of abuse: grooming, sexual abuse, emotional abuse, physical abuse, neglect, controlling, coercive and threatening behaviours. If you have a concern about any of the above, please contact one of the officers at school or Education Guardianship UK Ltd's DSL.

It is not for staff to decide if the allegations are true or not. Their role is only to listen, report to the authority as accurately as possible and allow the official procedure to then take over.

We expect our host families to complete a safeguarding course every 3 years. We can send you a link to an online course if needed. Education Guardianship UK Ltd will also provide annual safeguarding updates by email.

• PREVENT / ANTI-RADICALISATION

The ChildLine Website explains radicalisation as follows:

“Radicalisation is when someone starts to believe or support extreme views. They could be pressured to do things illegal by someone else. Or they might change their behaviour and beliefs.

This could happen if they feel”:

- isolated and lonely or wanting to belong
- unhappy about themselves and what others might think of them
- embarrassed or judged about their culture, gender, religion, or race
- stressed or depressed
- fed up with being bullied or treated badly by other people or by society • angry at other people or the government
- confused about what they are doing
- pressured to stand up for other people who are being oppressed.

“Someone who has been radicalised might believe that sexual, religious, or racial violence is OK. They may be influenced by what they see online. And they might have links to extreme groups that preach hate like Nazi groups or Islamic extremists like Daesh, also known as ISIS or IS.”

“Having extreme views can be dangerous. And this can often lead to harmful and illegal activities involving violence, attacks, discrimination or hate - which the person could be arrested or sent to prison for. This can affect them and their future.”

If you are worried about the behaviour of a student in your care, please seek help. Education Guardianship UK Ltd has a member of staff, known as the Prevent Lead, who is trained to deal with any concerns you may have:

Prevent Lead: Hayley Babot, +44 (0) 7812 052282, hayley@educationguardianship.com

If you think someone is in serious danger, please call 999 for urgent help.

Further information on Prevent, Radicalisation can be found in the Education Guardianship UK Ltd Prevent Policy. There is also a free Prevent (anti-radicalisation) course provided by the Home Office which we would like all hosts to complete. It is a very informative, interactive course which takes around 45 minutes. Please send us your certificate upon completion.

9. HOSTING TIPS

Firstly, DON'T WORRY if the students want to spend some time 'chilling out', lying in or playing computer games. School life can be very busy, and some relaxation time is often what is needed.

Please treat your student as you would wish your own children to be treated if they were staying with a host family, and hosting will be a rewarding experience.

Most students are interested in the host family they are staying with and like to chat about experiences in their own country and here. But they are away from home and in unfamiliar surroundings, and time can pass slowly. It is good to involve them in helping you around the house, perhaps asking them to set the table, fill the water jug, calling other students or family members to the table, make tea or coffee for everyone and hand round the biscuits, etc.

Try them on a few of the following family activities:

- Cinema or theatre visit
- Visit to the town centre, supermarket or local shopping centre – many students love shopping.
- Physical Exercise: swimming, tennis, football, basketball, bicycle ride
- Arts and crafts: - painting, drawing, music - many students play a musical instrument, knitting, making Christmas decorations for cards, sewing napkins
- Cooking - Looking up recipes, get them involved in a menu for dinner
- Helping around the house and garden, assisting in washing the car, hanging out washing, sweeping leaves, or posting letters in the nearby post-box
- Seasonal Events - Pumpkins for Halloween, Guy and bonfire for November 5th
- Nature - Making nesting boxes for birds out of odd pieces of wood, planting seeds
- Games - Monopoly, Scrabble and games to help improve the student's English vocabulary - e.g. how many items can you name in the kitchen, garden, bathroom, etc.

If you have any concerns either before or during your student's homestay, please do not hesitate to contact us.

And finally...

Thank you for agreeing to host our students. We aim to make it a positive experience for both hosts and students. Your feedback is always welcome.
